Dear Mr. Davis,

Thank you for the copy of my 12/31/79 letter to Jack Wasserman with your letter of the 4th.

You have two other letters, one by me to him and one to me from him.

I'd appreciate your making an effort to locate and provide copies of them.

I'm glad you have learned what I told you at the outset of this long effoft required to get back only part of what you did and I presume still do have, that Amy Stevens sent these pages to you.

There was no other possibility because nobody else had worked in thos files.

I have not alleged that she did it purposefully. I have no reason to believe that she did.

Please make a further check so I can have a complete file, particularly because of what you said about that relationship.

Sincerely,

Harold Weisberg
